

No.19-2/2009-PHM-MSE

To,

The all Chief General Managers
Telecom Circles/Metro districts/Regions,
BSNL.

Subject:- Regarding precautions to be taken for prevention of fire incident.

Recently a fire incident took place in one of the telephone exchange of Calcutta Telephone District and destroyed many equipments. The O/o Chief General Manager, Inspection (T & D) Circle, Jabalpur has suggested following suggestions to avoid such fire incidents in Telephone Exchanges/Buildings :-

1. All Exchange building should have a fire escape route. It is very much essential from the safety point of view of the staff present during the incident.
2. Regular check of earth as per DOT/BSNL guideline used from time to time.
3. Preventive measures to be adopted to avoid fire incidents in Telephone Exchanges/Buildings.
4. Fire Extinguishers and fire detection alarms are also to be checked on regular basis.

It is further reiterated that the above instructions along with the other instructions issued by this office from time to time may be got adhered to strictly and compliance reported to this office.
